Karen,

Since leaving you my VM, I was able to quickly dig up copies of 2 approval letters for state CNPCPs. See attached. The letters themselves that transmit news of full program approval are not online. At least I'm pretty sure they're not. NOAA maintains the official website, which you correctly referenced below.

I am copying NOAA's Allison Castellan in case you want to follow up with her. Also, Jayne Carlin, so R10 is in the loop.

(Note to Allison & Jayne: Karen left me a VM asking for copies of approval letters for CZARA.)

Don – I remembered about this website and it may be what I was looking for. Let me take a look and I'll get back to you if I think it doesn't hit the mark. Thanks for your call!
